

Prosperity International Equity Fund

Quarterly Update | As of September 30, 2017

T · E · W E A L T H
T.E. INVESTMENT COUNSEL

Investment Objective: To provide long-term capital appreciation through investment in equity markets outside of Canada and the US by investing in equity securities of issuers throughout the world including Europe, Asia and the Far East. The Fund seeks to outperform the MSCI EAFE Net Index (CAD) over rolling four-year periods.

Portfolio Manager: T.E. Investment Counsel

Portfolio Sub-advisors:

Brandes Investment Partners

Brandes is a bottom-up, value-oriented manager. They believe that buying businesses at a discount to their true value will produce superior long-term results (Graham & Dodd approach).

Mawer Investment Management

Founded in 1974 by Charles Mawer, the firm's bottom-up fundamental research process seeks to identify high-quality growth companies trading at a discount to their intrinsic value, relative to the market.

Pyrford International Ltd.

Founded in 1987, Pyrford uses a proven investment process that focuses on fundamentals. Their value-driven philosophy is based on a quality, absolute return approach.

T.E. INVESTMENT COUNSEL

Investment returns are expressed in Canadian dollars unless otherwise noted and are net of investment management fees, net of fund expenses for the Prosperity pooled funds, and include reinvestment of dividends and income, where applicable. They do not take into account other charges or income taxes payable by any unitholder that would have reduced returns. Returns are time-weighted and figures may be subject to rounding. Pooled funds are not guaranteed. Values change frequently, such that past investment performance is no guarantee of future returns and may not be repeated.

The above performance information reflects previous sub-advisors and/or sub-advisor allocations.

Note that this fact sheet references only the pooled fund units available to T.E. Investment Counsel clients when we provide discretionary investment management services.
